✓ **Inauguration of Urban Primary Health Centre (UPHC)**

Primary Health Centers are the basic units at the grass root level to provide health care services to the targeted population in the catchment area, though people outside the area can also access to the facilities as per need.

Key responsibility of the UPHC is to provide comprehensive preventive, promotive and non-domiciliary curative care. Beside that pathological tests and vaccinations are made available at the centre.

Two UPHC were inaugurated on 6th July 2018 at Ward no 16 and 21. Chairman, Vice Chairman, CICs, Councilors and senior officials of the Municipality were present in the programme.
